Welcome Back!

Congratulations on getting your opening bulletin boards and door tags up! Now it’s time to settle into routine with monthly boards and lots of hall programs. Come into the PRC to make your programs pop. We’re excited to help you out!

About the Post

The Programming Post is the PRC’s monthly newsletter. It exists to give you helpful hints and ideas for activities and events you can hold for your residents, as well as news from the PRC!

Who Are the Program Advocates?

The PAs, Blakely, Clay, Kiara, Lauren, and Maisoon, are here to make your job easier. Not only does that job include coming back to school even before the Head Residents to pre-cut background paper and prep the PRC, but it also means that one of us is always in the PRC to help you brainstorm and execute ideas for your hall or area.

Resource of the Month: Laminators

You are probably all aware of the awesomeness of the laminators— both hot laminators can be used as a dry erase boards and you can write on the cold laminate is perfect for doortags. It is important that you use the laminators correctly, though. Make sure you allow the hot laminators to heat up fully before using and follow all directions carefully. As always, if you have questions or just want to make sure something is working correctly, ask a PA! We love to help you!
