Subrogation

To the extent the Company pays for a loss suffered by an Insured Person, the Company will take over the rights and remedies the Insured Person had relating to the loss. This is known as subrogation. The Insured Person must help the Company to preserve its rights against those responsible for the loss. This may involve signing any papers and taking any other steps the Company may

reasonably require. If the Company takes over an Insured Person's rights, the Insured Person must sign an appropriate subrogation form supplied by the Company.
