

## Tips from the Reves Center for the Form 8843: **Students**

**Mail form by: April 15, 2025**

Form 8843 is required for **all** F-1 and J-1 students and their F-2 and J-2 dependents who were in the U.S. during the most recent tax year and are [non-resident aliens](#) for tax purposes - **even if you had NO income**.

Complete one form per F-1 or J-1 (or F-2 or J-2).

### Mailing instructions:

- IF you are ALSO required to complete a 1040-NR (because you had U.S. income), mail your forms together to the address provided for your 1040-NR, or file online. You would only be required to file these if you had income from U.S. sources during the tax year. You can use [Sprintax](#) for help.

- IF you are NOT required to complete a 1040-NR, mail your 8843 to:

Department of the Treasury  
Internal Revenue Service Center  
Austin, TX 73301-0215

- Stamps for mailing are available at most grocery stores, and your [local post office](#). A post office is also located in the bottom floor of the Sadler Center.
- 

### Top of Form

**Name and U.S. Taxpayer Identification Number:** Write these at the top of Form 8843 in the space provided. Write your name as it appears in your passport. Your Taxpayer ID number is your Social Security Number *or* ITIN. Leave blank if none.

**Address:** Write your home country address ("country of residence") and your address in the U.S.

---

### Part I: General Information

- **Lines 1-3:** Complete these lines as indicated.
- **Line 4a:**
  - Count the number of days you were in the U.S. as accurately as you can. Using the U.S. entry stamps in your passport may help, or your [travel history from CBP](#).

- **Line 4b:**

- If you are considered a non-resident tax alien, enter the number of days that you were present in the U.S. in 2024 in *F-1 or J-1 (or F-2 or J-2) status*. In most cases, this will be the same as the total number of days you were in the U.S. in 2024.

---

**Part II: Leave this part blank**

---

**Part III**

**Line 9:** Write *William & Mary, PO Box 8795, Williamsburg, VA 23187; (757) 221-3590* **Line 10:**

**Graduate students:** Write the name, address, and phone number of the chair of your academic department.

**Undergraduates** write: *Peggy Agouris, Provost, PO Box 8795, Williamsburg, VA 23187-8795; (757) 221-1993.*

**Exchange Students** write: *Eva Wong, Reves Center, PO Box 8795, Williamsburg, VA 23187-8795; (757) 221-3166*

**Line 11:** If you were in the U.S. during these years, in F, J, M, or Q status, write the visa type(s) you used. If you were NOT in the U.S. in F, J, M, or Q status during this time, leave this blank.

**Line 12:** If you can answer *YES* to this question, you are usually considered a resident for federal income tax purposes. If you would like to continue to be considered a non-resident alien for U.S. income tax purposes, please see a [VITA or AARP](#) tax volunteer to check if this is possible.

Students who are in the U.S. more than five years are almost always considered resident taxpayers. Students who are resident taxpayers usually pay less income tax but are subject to Social Security and Medicare taxes on most earned income.

**Lines 13-14:** Answer *NO*, unless you or someone on your behalf filed a labor certification application, a petition for permanent residence, an immigrant visa application or an application for adjustment of status during the tax year. (If you entered the green card (DV) lottery but did not win, you should also answer *NO*)
