W&M INTERNAL PROGRAMS:

The Green to Gold Sustainability Fund (G2G) is a green revolving fund established in 2016 to reduce William & Mary's impact on the environment and to improve efficiency in ways that create measurable returns on investment. The G2G will provide educational opportunities for students and be another demonstration of W&M's commitment to sustainability.

COLL Innovation Grants for Faculty: Open Proposals, deadline: rolling; http://www.wm.edu/as/center-liberal-arts/coll-innovation-grants/index.php:
The Center For Liberal Arts supports faculty in bringing their most creative and innovative teaching to their COLL courses. The CLA has funding available to support faculty as they design and implement courses that bring the best of the liberal arts to our students. We prioritize requests that have concrete connections to current COLL courses, particularly the COLL 350 and Campus COLL 300
