W&M INTERNAL PROGRAMS:

President's Award for Service to the Community, deadline 6/3/22;

<https://www.wm.edu/offices/oce/awards/presidents-award/index.php>

The President's Office and the Office of Community Engagement select recipients of the President's Award for Service to the Community. Each year one award is given to a student and one to a faculty or staff member who have demonstrated a sustained commitment to service and made a significant and measurable impact on our community. Please note that because the student winner is recognized at convocation, students should be enrolled at W&M in the upcoming fall semester. The award carries a prize of \$500, which is donated in the name of the award recipient to a community organization of the recipient's choice. The winners are recognized at opening convocation.

COLL Innovation Grants for Faculty: Open Proposals, deadline: rolling; <http://www.wm.edu/as/center-liberal-arts/coll-innovation-grants/index.php>:
