W&M INTERNAL PROGRAMS:

COLL Innovation Grants for Faculty: Open Proposals, deadline: rolling; http://www.wm.edu/as/center-liberal-arts/coll-innovation-grants/index.php:
The Center For Liberal Arts supports faculty in bringing their most creative and innovative teaching to their COLL courses. Oftentimes faculty need financial support to fully realize the aspirational goals of the COLL curriculum. The CLA has funding available to support faculty as they design and implement courses that bring the best of the liberal arts to our students. We prioritize requests that have concrete connections to current COLL courses, particularly the COLL 350 and Campus COLL 300.
