Understanding Your Health Insurance Coverage While Away From Home

It has been our experience that it would be beneficial for you to contact your insurance company **NOW**, long before your child enters school, to ensure your child has adequate, hassle-free coverage while he/she is away at school. We have developed the following questions to help you understand the scope of your insurance coverage to determine if it will meet the needs of your child. The coverage that you have experienced at home may not be the coverage your son/daughter receives while away at college. In case of injury or illness while away from home, you would hope that your son or daughter should be able to access the same level of health care in Williamsburg without difficulty. If your insurance does not allow out-of-network coverage, your son/daughter may have to go home for care or be exposed to higher co-pays and higher out-of-pocket expenses. Such restrictions also inevitably slow the access to comprehensive care that will return your child to health and to competition. You may ultimately find it advantageous or necessary for you to change your insurance plan or even insurance company to maintain the coverage at school that you have experienced at home. **Failure to provide current and complete information and/or notify us of any changes could compromise and complicate access to the athletic department's secondary insurance policy making you solely responsible for all medical bills.**

1. Does your son/daughter have coverage and/or out-of-network benefits in Williamsburg, VA for services other than emergency care (i.e. diagnostic testing such as MRI or x-ray, chiropractic care, physical therapy, etc.)?
YES NO

If no, consider switching insurance. We suggest you speak with the William & Mary Sports Medicine staff at (757) 221-3407 to discuss your coverage needs.

2. Does your son/daughter need a referral from their PCP to access other providers (imaging, specialists, etc.)?
YES NO

If YES:

PCP Name: _____ Phone Number: _____

If so, we ask that you make either Dr. Virginia Wells, Dr. Alexander Vap, Dr. Thomas Loughran, or another physician in Williamsburg as their PCP instead. When you call please identify yourself as a W&M student-athlete. Please contact us at (757) 221-4845 if we can be of assistance in selecting a PCP in the local area.

3. Please circle all eligible providers within your benefits. You may check these providers by calling your insurance company or logging into your insurance company's website. Please search the providers and locations listed below.
