How To Register for the Student Organizations and Activities Fair

Each year, the Office of Student Leadership Development, in conjunction with the office of First Year Experience, hosts two Student Organizations and Activities Fairs, one in August and one in January. Eligible organizations can register during designated time frames to participate in these events; specific dates and deadlines will be communicated to organization leadership accordingly.

Organizations participating in the Fair will receive detailed communication and confirmation from Student Leadership Development about the event a week or so preceding the event; approval of this form does not guarantee confirmation of participation in the Fair. If you have questions, please contact leadership@wm.edu.

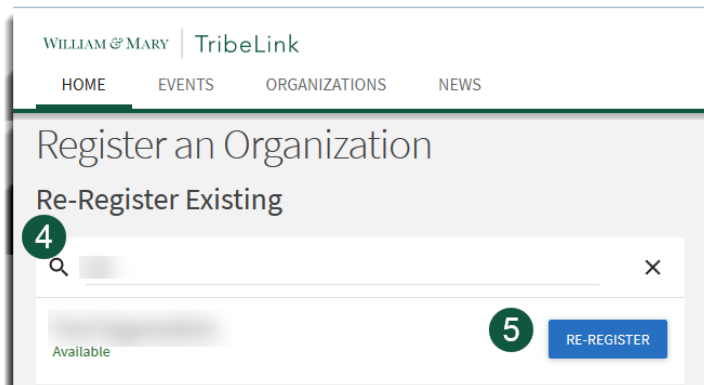

Step by Step Instructions to Register for the Student Organizations and Activities Fair

Step 1: Log into TribeLink (tribelink.wm.edu).

Step 2: Go to the “Organizations” page.

Step 3: Select “Register an Organization.”

Step 4: Using the search bar, find an existing organization to “re-register.” You will only have access to re-register organizations of which you are a member (you must be on the organization’s roster in TribeLink to complete the process).

The screenshot shows the TribeLink website interface. At the top, there is a navigation bar with 'HOME', 'EVENTS', 'ORGANIZATIONS', and 'NEWS'. Below this is a search bar labeled 'Search Organizations' and a dropdown menu for 'Category'. A prominent blue button labeled 'REGISTER AN ORGANIZATION' is visible. A green circle with the number '3' is overlaid on the button.

Step 5: Click the “Re-Register” button.

Step 6: Fill out the form and don’t forget to click the final “submit” button.

Electricity will not be accessible for student organizations. If your organization plans on using equipment that requires power, such as laptops, please plan on making sure you come prepared with fully charged laptops/batteries.

Organizations will be grouped by categories/shared focus (sports clubs, academic/professional organizations, culture/identity, etc). Specific assignments will be available at check in.

Guidelines and Expectations will be included in the confirmation email, to be sent prior to the event. As a leader of your organization, it is your responsibility to make sure members representing your organization at the Student Organizations and Activities Fair understand the guidelines and expectations so that the event can run smoothly. Failure to comply with those Guidelines and Expectations may result in a group’s ineligibility to participate in future fairs.
