ABOUT HEALTH & WELLNESS AT W&M

OPTIMIZING THE WELLBEING OF OUR W&M COMMUNITY

AN INTEGRATIVE APPROACH

Students have multiple portals of entry to manage stress & distress with services that span the continuum of:

PREVENTION | HEALTH PROMOTION | INTERVENTION

TWO FACILITIES

The **Bee McLeod Recreation Center** & **McLeod Tyler Wellness Center** provide students access to resources that meet their wellness needs. Whether they are sick, well, or want to learn what wellness means to them, our diverse resources are prevention-focused with clinical support to effectively manage crises.
