Emergency Equipment

All emergency equipment (listed below) is brought to practices and games/events by the AT.

If the AT is not present, the SCS, FS, or IMS will have a limited amount of emergency equipment including a CPR facemask and first aid kit on their person or in the gator with them. SOs may also have a limited amount of emergency equipment such as a CPR facemask and first aid kit on their person. The closest and most accessible AED (6 minute walk) is located in the Swem Library and can typically be accessed during normal school business hours. The closest AED is located in Lemon Hall (3 minute walk) and can be accessed via card swipe into the building. The closest, accessible landline phone is located behind the front desk of the Swem Library.

AED Location: AED (#1) is stored in the Swem Library to the right of the main entrance across from the circulation/research desk. The AED is in a white box labeled defibrillator. AED (#2) is stored in Lemon Hall on the first floor inside the main entrance, underneath the stairs. When AT is present, a separate AED is on the AT's person.

Emergency Equipment Available: AED, First Aid Kit, Splint Bag², Stat Pack³, gator, cold-water immersion tub, rectal thermometer, and epi-pen.

Emergency Communication-

In the event that cell phones are not usable: (1) a landline phone is located **behind the front desk of the Swem Library** (to the right when you first walk in).

"Hello my name is _____. I am calling from Barksdale Field on the Campus of William & Mary where there is an emergency and we need an ambulance. There is a suspected _____ (describe suspected injury/illness- head/neck injury, cardiac collapse, etc.). The person is (state one) conscious or unconscious. The injured person is located on/at _____ (the side closest to Richmond Rd, the far side of the field, etc.). A person in a _____ colored shirt will flag you down when you arrive."

Answer all the dispatcher's questions and stay on the line until EMS hangs up.
