Emergency Equipment

All emergency equipment (listed below) is brought to practices and games/events by the AT.

If the AT is not present, the SCS, FS, FI, TAP, or IMS will have a limited amount of emergency equipment including a CPR facemask and first aid kit on their person or in the gator with them. SOs may also have a limited amount of emergency equipment such as a CPR facemask and first aid kit on their person. The closest AED is stored at the Matoaka Amphitheater. The closest landline phone is located in Matoaka Boathouse #2.

AED Location: AED (1) is stored at the Matoaka Amphitheater near the stairs and the bathroom. The AED is in a white box. When AT is present, a separate AED is on the AT's person.

Emergency Equipment Available: AED (1), First Aid Kit, Splint Bag², Stat Pack³, gator, cold-water immersion tub, rectal thermometer, and epi-pen.

Emergency Communication-

In the event that cell phones are not usable: (1) a landline phone is located in Matoaka Boathouse #2

"Hello my name is _____. I am calling from the Matoaka Boathouse on the Campus of William & Mary where there is an emergency, and we need an ambulance. There is a suspected _____ (describe suspected injury/illness- head/neck injury, cardiac collapse, etc.). The person is (state one) conscious or unconscious. The injured person is located on/at _____ (Boathouse #1, Boathouse #2, the parking lot, etc.). A person in a _____ colored shirt will flag you down when you arrive."

Answer all the dispatcher's questions and stay on the line until EMS hangs up.
