

## 2020–2021 Student Injury and Sickness Insurance Plan for William & Mary

### Who is eligible to enroll?

All international students are eligible and are required to participate in the plan on a mandatory basis. All full-time domestic undergraduate and graduate students will be enrolled in this insurance plan and premium added to their tuition billing unless proof of comparable coverage is provided. All visiting faculty scholars and graduate research and graduate teaching assistants who are approved by the College to pursue academic work are eligible and are required to have the insurance plan unless proof of other insurance has been furnished.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse or Domestic Partner and dependent children under 26 years of age. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
  - a. On the date the Named Insured acquires a legal spouse or a Domestic Partner who meets the specific requirements set forth in the Definitions section of the Certificate.
  - b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.

# Highlights of Services offered by UnitedHealthcare StudentResources

## Healthiest You: 24/7 Doctor Access

---

Starting on the effective date of your coverage under the student insurance plan, you have 24/7 access to medical advice through HealthiestYou, a national telehealth service.\* By calling the toll-free number listed on the front of your medical ID card or visiting [www.telehealth4students.com](http://www.telehealth4students.com), you have access to board-certified physicians via phone and/or video, where permitted. This service is especially helpful for minor illnesses, such as allergies, sore throat, earache, pink eye, etc. Based on the condition being treated, the doctor can also prescribe certain medications, saving you a trip to the doctor's office. Using HealthiestYou can save you money and time, while avoiding costly trips to a doctor's office, urgent care facility, or emergency room. As an insured with StudentResources, there is no consultation fee for this service.\* Every call with a HealthiestYou doctor is covered 100% during your policy period.

This service is meant to complement your Student Health Center. If possible, we encourage you to visit your SHC first before using this service.

HealthiestYou is not health insurance. HealthiestYou is designed to complement, and not replace, the care you receive from your primary care physician. HealthiestYou physicians are an independent network of doctors who advise, diagnose, and prescribe at their own discretion. HealthiestYou physicians provide cross coverage and operate subject to state regulations. Physicians in the independent network do not prescribe DEA controlled substances, non-therapeutic drugs and certain other drugs which may be harmful because of their potential for abuse. HealthiestYou does not guarantee that a prescription will be written. Services may vary by state.

\*Available to Insured students and their covered Dependents ages 18 and over. If you call prior to the effective date of your coverage under the insurance plan, you will be charged a \$40 service fee before being connected to a board-certified physician.

## HealthiestYou: Virtual Counselor Access

---

Starting on the effective date of your coverage under the student insurance plan, you have access to mental health providers through a national virtual counseling service.\* Psychiatrists, psychologists and licensed therapists are available to you through a variety of communication methods, including phone and video.

When you sign up, you'll complete a questionnaire, choose your provider and select a date and time for your appointment. Appointments are available 7 days a week. Visits are secure, discreet and confidential, and you have ongoing support with the same provider.

As an insured with **StudentResources**, there is no consultation fee for this service. Every communication with a provider is covered 100% during your policy period.
