College of William and Mary

Applied Research Center Student Newsletter

On September 4th, representatives from the Department of Defense under Senator Jim Webb and Senator Mark Warner toured the William and Mary Labs. The representatives included Dr. Randy K. Avent, Juliet Beyler, Mark Brunner, Lt Brandon Hamilton, Capt. Gordon I. Peterson, Dr. Arun A. Seraphin, and Dr. Robin Staffin. Nick Moore, lab technician, and Amy Wilkerson, William and Mary Lab Manager, demonstrated all of the instruments in the lab. Amy Wilkerson demonstrated on the HIROX and AFM while Nick Moore did a presentation on his project with TheraGauze.
