ARC LAB August 2014 Update

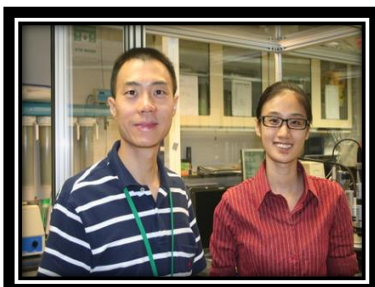

This is a group picture of our ARC Lab and William and Mary staff, college interns and summer volunteers.

Back Row: Thomas Dushatinski, Brandt Robertson, Richard Proper, Eric Walter, Lin Xu, Dilshan Premathilake, and Michael Kelley

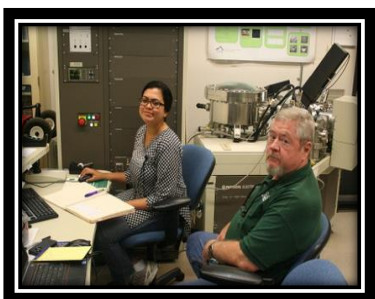

Middle Row: Amy Wilkerson, Olga Trofimova, Sandra Prior, Lopamudra Das, Cheryl Outland, Xin Zhao, Wei Zheng, and Nick Moore

Front Row: Song Vick, William Outland, Katie Outland, Abby Wilkerson, and Kenneth Wilkerson

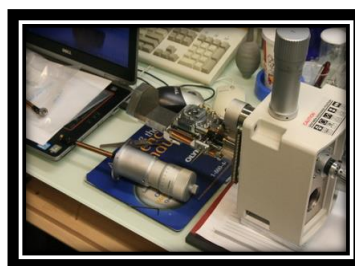

Lab Highlights

Xin Zhao brought Lizhe Lin, a SUNY Buffalo graduate student, to our lab for a tour.

Lopamudra Das, a William and Mary graduate student in Applied Science, and Richard Proper are pictured here performing an analysis using the Tof-Sims.

Brandt Robertson was able to perform a quick repair on the insertion holder for the FESEM to minimize equipment downtime.
