Fifth Annual Career and Technical Education Non-Traditional Extravaganza

Amy Wilkerson, William & Mary Applied Research Center Lab Manager, was a presenter at the Fifth Annual Career and Technical Education Non-Traditional Extravaganza hosted by the Suffolk Public Schools' Career and Technical Advisory Council. The Extravaganza was held on February 27th at the Hilton Garden Inn, Suffolk Riverfront. Around two hundred high school students attended the Extravaganza to explore career options. They represented students from Nansemond River, Lakeland, and Kings Fork High School plus students from the Pruden Vocational Technical School.
