Cohen Center Sponsors Signature Winter Career Trips

Intensive Career Exploration
Building Relationships with Alumni and Employers

- **Wall Street Program (13th annual)**
22 Juniors, 63 professionals

“The Wall Street Program creates a unique environment where students can learn more about Wall Street and advance their career goals. I really enjoyed the opportunity to connect with alumni who are so invested in our future as William & Mary students. The alumni relationships I am fortunate to have stem directly from programs like ‘From DoG Street to Wall Street’ and the Wall Street Program.”

Accepting offer from **Morgan Stanley**
in Investment Banking.

- **Consulting Trip (D.C. and Northern VA)**
15 Juniors, 1 Sophomore

“I just wanted to thank you once again for all that you did to organize the Consulting trip in DC last week--it was an amazing experience and really helped me sort out a lot in mind. I really appreciated the feel of the support network that I got when meeting with W&M alum. I have already sent a few thank you emails and it has been great getting such positive responses!”
