

Mercury Pollution

Dan Cristol
Biology

Pharmaceuticals
are preserved
with mercury

Fillings contain
mercury

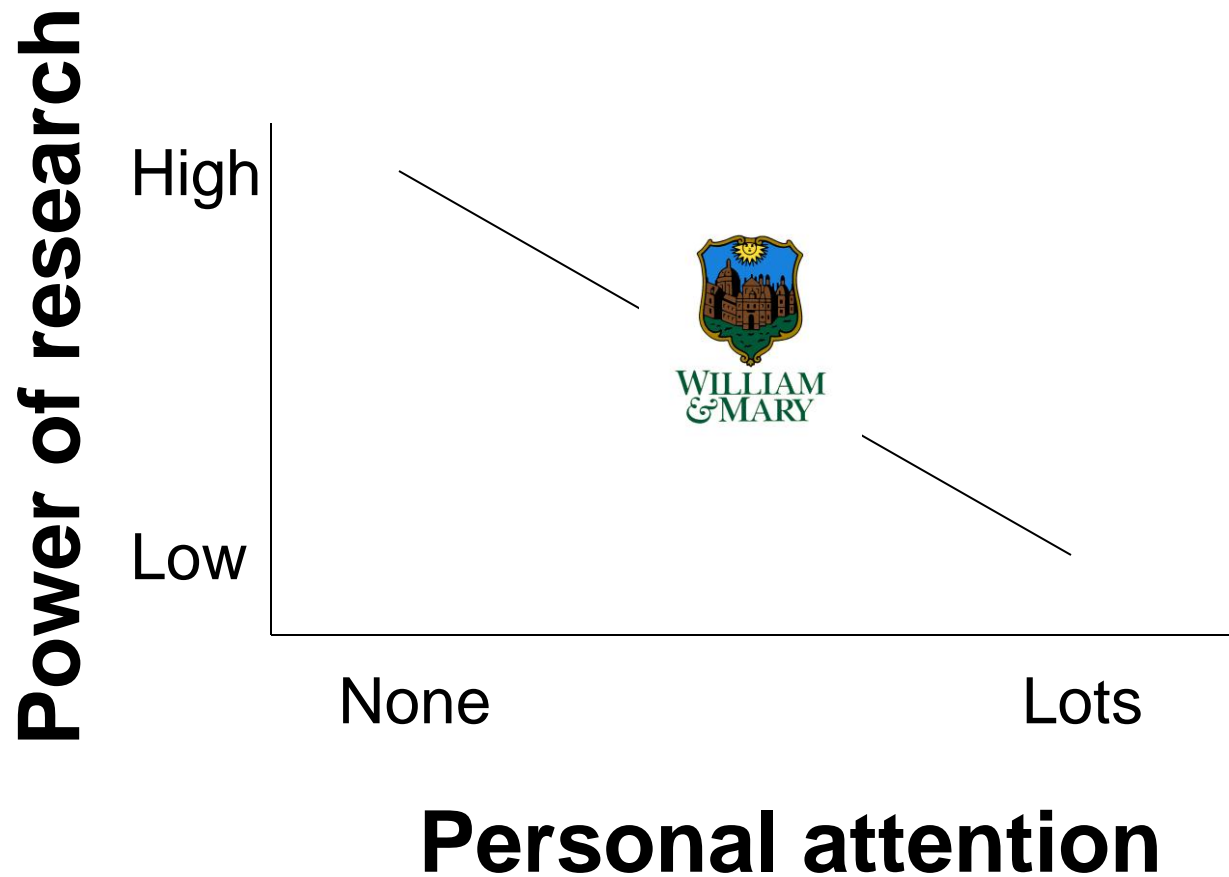

Fish contains mercury

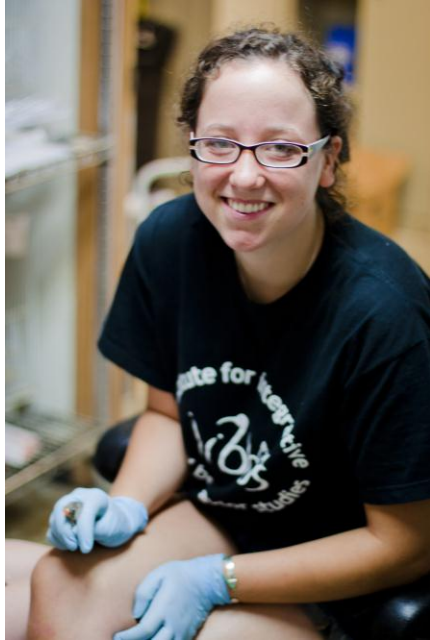

Birds can't read

The Law of Undergraduate Research

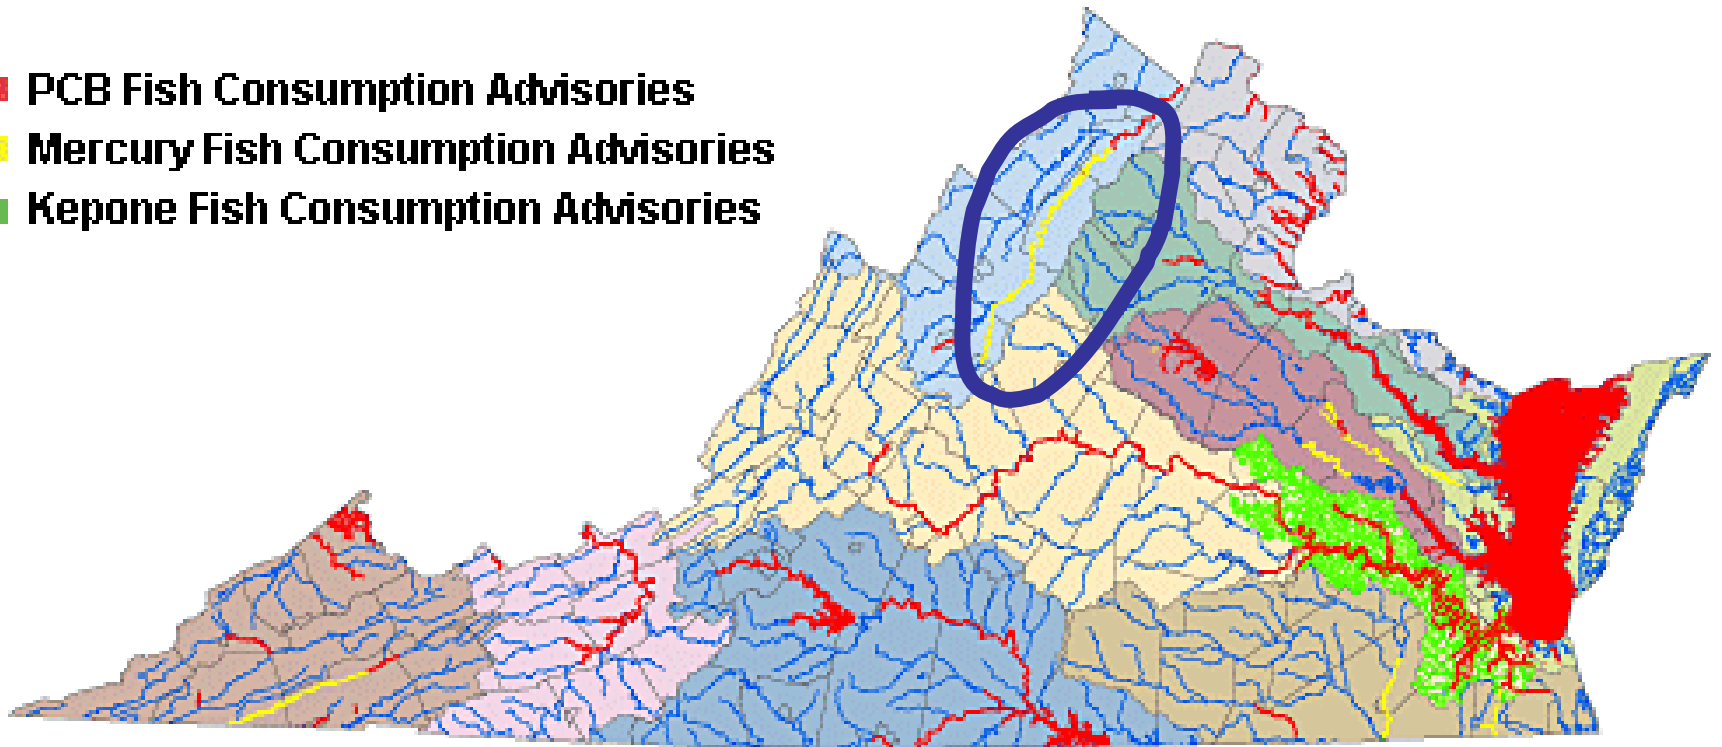

75 undergraduates + 25 Masters students =
publications with 70 student co-authorships

Current Fish Advisories in Virginia

- PCB Fish Consumption Advisories
- Mercury Fish Consumption Advisories
- Kepone Fish Consumption Advisories

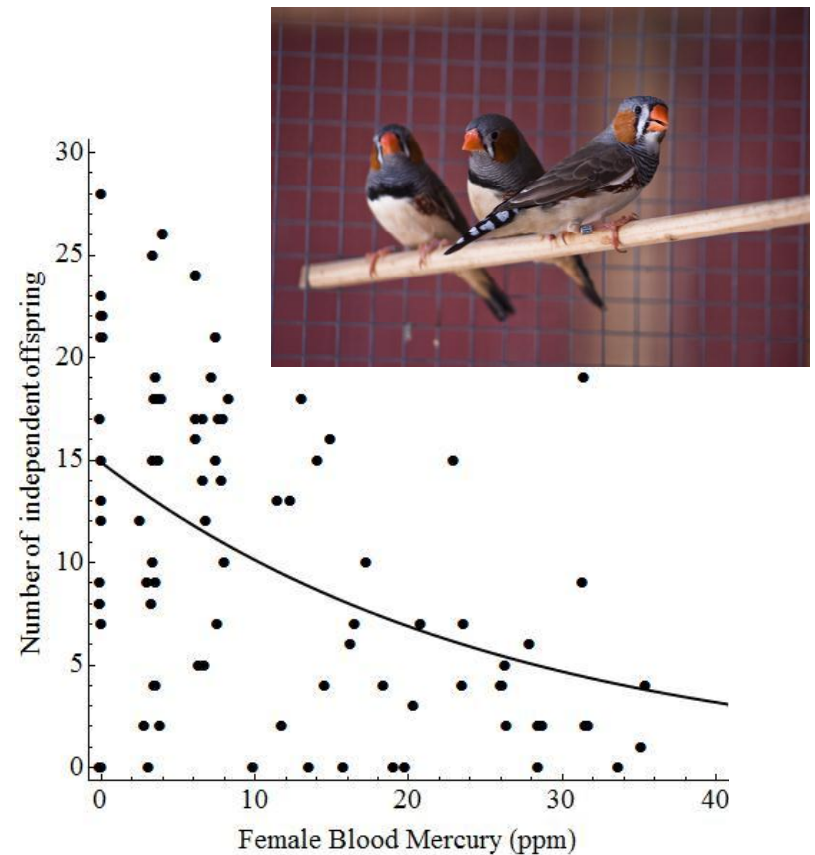

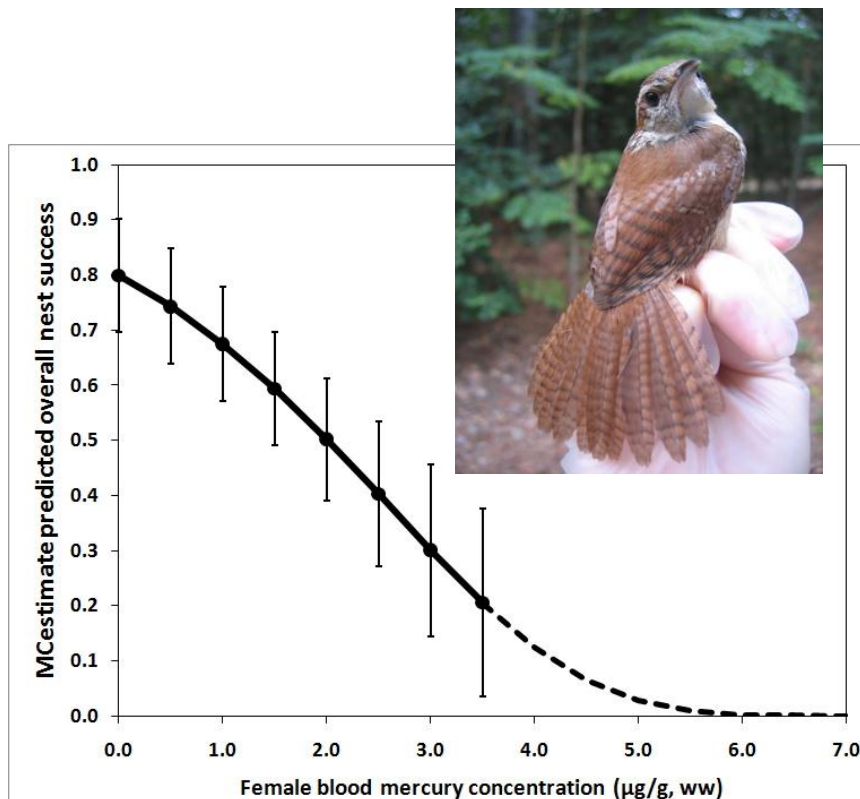

More mercury = fewer babies

In the wild or in the aviary

Teaching science with real policy implications

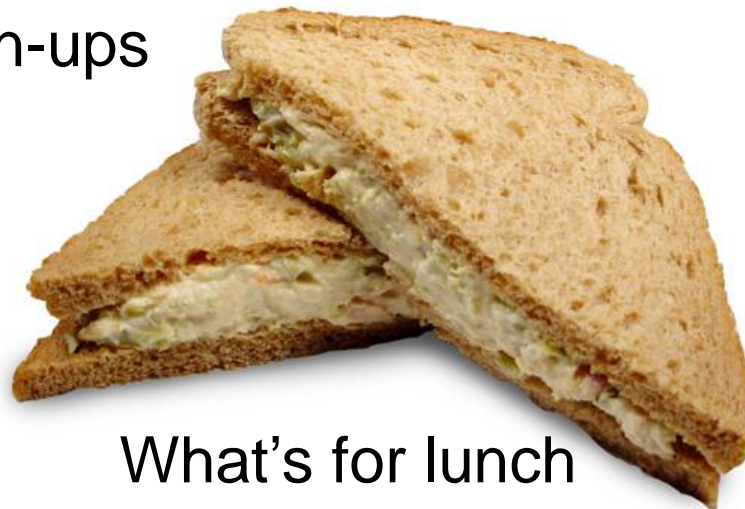

Expensive clean-ups

Dental amalgams

Coal plants

What's for lunch
