Goal 2

Open doors of opportunity for W&M students and faculty to participate in global learning, research and service, both at home and abroad.

1. Increase opportunities for student global experiences with the goal of providing 60% of W&M undergraduate students a study-abroad experience prior to graduation by FY 2018. (Hanson)
2. Expand programs through the D.C. office, as a point of communication with the nation and the broader world to reach more students by FY18 and take even more advantage of domestic and international policy opportunities, including those in international aid. (Anthony)

BC Summer Internships

Office of International Programs

A Summer Internship Program is a unique opportunity for BC students to gain valuable international work experience, personal development in the areas of professionalism, social skills and independence. Students will have the chance to make meaningful contributions within their placements and have the freedom to learn about the rich history and ever-more global nature of some of Europe's largest city. We encourage students who may already be abroad for a semester or a year to extend their time overseas and to participate in an internship opportunity.

Dublin Summer Internships

Language Requirement:
No foreign language needed.

Madrid Summer Internships

Language Requirement:
Must have completed no less than 5 semester of college-level Spanish or equivalent.

Paris Summer Internships
