# RBC-19 PROGRAMMING

## ONLINE

All Program offerings will be available through modalities that accommodate student need and demand

## Associate in Arts Degree (A.A.)

The Associate in Arts Degree is designed primarily for those students who plan to complete their baccalaureate degrees in areas of the arts, humanities, or the behavioral and social sciences. Depending upon the institution to which a student may transfer and the prospective major, the Associate in Science Degree may be more appropriate. Students are urged to consult an academic advisor on this matter.

A student must meet the following credit requirements for the Associate in Arts Degree.

### GENERAL ASSOCIATE in ARTS DEGREE

The College offers a functional generalist degree once passing the Core and satisfying breadth across disciplines.

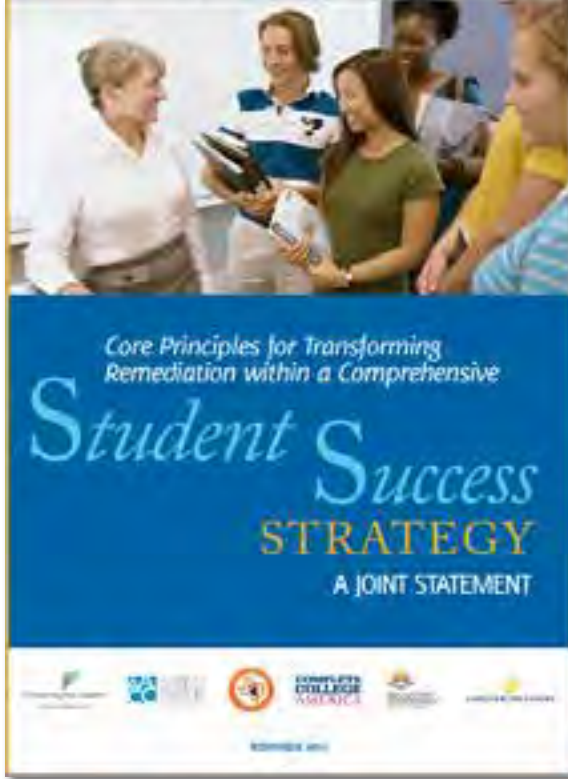

<b>The Art of Language and Literacy</b>	
ENGL 101, 102; Choose two additional courses from the area	8
	4
<b>The Language and History of This Area</b>	
Choose two courses from this area	8
	4
<b>The Human Experience</b>	
Choose two courses from this area	8
	4
<b>U.S. and World Cultures</b>	
Choose three courses from this area, at least one of which must be U.S. History	9
	5
<b>Quantitative and Symbolic Reasoning</b>	
Choose one course from this area	3-6
	3-6
<b>Investigation of the Natural World</b>	
Choose two laboratory courses from this area	4
	4
<b>Foreign Language</b>	
Two courses from this area	6-8
	6-8
<b>Comparative Thinking</b>	
	0-4
	0-4
<b>Electives</b>	
In keeping with elective courses, students working closely with their advisors, advisors should consult the transfer path for those selected transfer college and programs. Bear in mind that some colleges or programs may require a minimum number of courses in a particular area, health, sciences, or foreign languages, for example, that are required for the AA degree at Richard Bland College. Those courses would be included in the elective/satisfactory part of your academic plan at RBC. Be sure that it meets all of your credit hour requirements.	11-17
<b>Total</b>	90
