Christopher Wren Offices Have Moved

Perhaps you’ve noticed the increased activity in the Discovery Building. As a result of employees being relocated from the Alumni House, the Christopher Wren offices have moved. We are now located on the left side of the building in rooms 111, 112, and work station 143F. All telephone numbers remain the same.

Last month we said goodbye to long-time employee, Sarah Kueser, who accepted a full-time position with W&M Advancement. She is now the Assistant Director, Gift Acceptance and Special Projects. We will miss her, but wish her the best in her new job and sincerely thank her for many years of service to CWA.

Changes to Town and Gown

Some unexpected speaker cancellations resulted in new programs for Town and Gown. Please note the following updates:

April 5: Middle Eastern Music Ensemble will perform. Directed by Anne Rasmussen of W&M music department.
April 19: VIMS faculty member Chris Hein will speak about the barrier islands.

Special Event Trip to Cape Charles on April 7

Take a day trip to the Eastern Shore with Historian John Quarstein, who will lead a walking tour of Fisherman's Island, Cape Charles, and Eastville. A more detailed email will be coming to your inbox soon.

Mid-Semester AV Training is March 1

The mid-semester AV training will be Thursday, March 1 at 10 am in the Campus Center Little Theatre. This presentation is for class assistants and instructors who need familiarization with the audiovisual equipment in the classrooms.

Did You Know?

Did you know CWA is a volunteer-run organization? Except for five paid staff positions, Christopher Wren operates with volunteer labor. The instructors and board of directors donate their time, as do all committee members. Dozens of hosts and class assistants contribute to helping courses run smoothly each semester. Thanks to their generous efforts, our fine organization continues to provide adults of all ages with opportunities for learning and enrichment. If you're interested in volunteering, please call the CWA office, 221-1506.
Locating Edgeworth Park

We recently began scheduling classes in Edgeworth Park, which is a senior living facility in New Town. The address is 5501 Discovery Park Blvd. If you attend courses there, please park on the street or behind the building and leave the spaces in front of the building open.

Christopher Wren Association provided officials for the 2018 Virginia High School League Scholastic Bowl. This year Jamestown High School was the Scholastic Bowl Champion for Group 4.
I Need Help -- I Was Wrong -- I Don't Know -- I'm Sorry

Judith Cobb teaches her course, "Explore the Mysteries of Louise Penny," while standing behind a sign made by CWA member, Peter Schoultz. It depicts the four favorite expressions of the main character in the series, Inspector Armand Gamache.

Don’t Forget!

- **Daylight Savings Time** starts on Sunday March 11. Remember to set your clocks one hour ahead.
- **Spring** begins on March 20.
- **Spring Break** at W&M is March 5-9. Except for computer courses in Morton Hall, there will be no CWA classes that week.
- **Easter** is early this year--April 1.

Inclement Weather Policy

CWA cancels any classes, lectures, activities (including Town & Gown) if the Williamsburg/James City County (WJCC) schools close. (If there is only a delay, CWA continues as scheduled.) A weather cancellation message will be on the CWA office line (757-221-1506) and on the WJCC web site [https://wjccschools.org](https://wjccschools.org). Please note, you will not be personally contacted.
William & Mary’s 28th President

William & Mary announced the selection of a new president to replace Taylor Reveley when he retires this summer. Welcome to the Tribe, Dr. Katherine Rowe!

Read about it here.

Charter Day Video

February marked the 325th anniversary of William and Mary’s royal charter. In case you didn’t make it to the ceremony, click on the picture to watch a video recap.
