         5. Continued to increase the communication to campus and PPFs through university platforms and social media
         6. Continued to coordinate with Staff Assembly on a weekly basis and communicate with W&M Executive Leadership Team, members of the Cabinet and Faculty Assembly on a monthly basis
      ii. Concerns - telework/flexibility, hiring/retention, compensation/benefits; these are still concerns and don’t see them going away.

i. On the Governor’s desk for review and approval, likely finalized by Wednesday, June 8th

ii. Question – does this include cost of living adjustments/increases?
   1. Response from Shannon – clarification that it does not and has not in the recent past included cost of living adjustments/increases for state workers. This is why they are called “merit-based raises” when included in the state budget.
   2. It is important that PPFs fill out their performance reviews as W&M will only have 5%, on average, for merit-based raises for non-classified employees (classified employees fall under state rules for merit-based raises).
