

# COORDINATING COMMITTEE ON PREVENTION OF SEXUAL ASSAULT & HARASSMENT NEWSLETTER

March 2018

## VIDEO LAUNCH

In 2016 the Coordinating Committee joined forces with University Creative Services to create a **series of videos** highlighting sexual misconduct resources at William & Mary.

The goal is to provide students with a way to learn about resources in the privacy of their rooms to familiarize themselves with who and what to expect from our campus professionals.

Part of the continuous work of the Coordinating Committee is to improve and update campus resources. New resources that are being released this semester include:

- Updated bathroom stall resource flyers.
- Updated Sexual Misconduct Resource Cards
- Coordinating Committee listserv (cc-svprevention)

## CLIMATE SURVEY

In our last newsletter we released a summary of the climate survey results. In efforts to continue to raise awareness about these informative statistics and the resources that we have on campus, we have created a few other resources to learn about statistics including:

- Climate Survey Video
- Executive Summary of the Climate Survey
- Updates to the website

## WHO WE ARE

## VIDEO LAUNCH cont.

One barrier that students face at any institution is understanding and feeling comfortable with campus resources. In efforts to combat that barrier, the Coordinating Committee has launched a video series to bring information right to a student's laptop where they can familiarize themselves with the resources AND the people that they will be working with.

**Our current videos that are available are:**

- Office of Compliance & Equity
- The Haven
- Climate Survey Data

Future videos being produced include:

- Campus Prevention
- Support Services (Counseling Center, Health Center, etc.)
- Dean of Students Office
- Frequently Asked Questions

If you have any ideas for future videos, please contact [mayanthi@wm.edu](mailto:mayanthi@wm.edu).

The **Sexual Violence Prevention Education Calendar** via Google Calendar is designed to support student organizations as they plan prevention education initiatives on campus.

The goal of this calendar is to promote collaboration within our student body to enhance one another's efforts. To add an event to the calendar use [click here](#).

## FRATERNITY/SORORITY LIFE STEERING COMMITTEE UPDATES

The Fraternity/SorORITY Life Steering Committee on Prevention of Sexual Violence & Harassment held its first meeting of the educational liaisons of the calendar year this past Tuesday, January 23rd. The educational liaisons are appointed representatives from every fraternity and sorority on campus. The liaisons will be the main conduit of educational resources for their chapter, and are the main point of contact of their respective chapter in regards to available programming regarding the prevention of sexual misconduct and harassment and related campus resources and services. Additionally, they are responsible for tracking their chapters educational programming and submitting that information to the Steering Committee.

If you or your organization would like to get in contact with the educational liaisons this semester, please contact Joe Wheelless ([jwwheelless@wm.edu](mailto:jwwheelless@wm.edu)).

## SPEAK ABOUT IT

Sponsored by the Division of Student Affairs, William & Mary Athletics, and the Office of Compliance & Equity.

The Coordinating Committee on the Prevention of Sexual Assault & Harassment presents "Speak About It": a national award winning group that, "promotes healthy relationships through directly addressing issues of consent, sexual assault, and bystander intervention."

Speak About It will be on campus from March 19-20 to perform three shows for our campus community. All are welcome at each event, however, the last two shows will be geared towards Fraternity/Sorority Life members and Athletes.

After each show there will be a one hour debrief session, also in Sadler, facilitated by the Speak About It team, our campus advocates and community leaders.

### Seeking Volunteers:

If you are an athlete, member of Fraternity/Sorority Life, or a peer educator on campus and are interested in facilitating debrief sessions following the shows, please contact [mayanthi@wm.edu](mailto:mayanthi@wm.edu) for training opportunities.
