## CONSTITUTION OF THE STAFF ASSEMBLY

Article I.	Name
Article II.	Purpose
Article III.	Authority
Article IV.	Membership
Article V.	Amendments to the Constitution
Article VI.	Dissolution of the Assembly

### **Article I. Name**

The name of this organization is the Staff Assembly of William & Mary. In this document the term “William & Mary” or “the university” includes departments, divisions, and schools of William & Mary, including the Virginia Institute of Marine Science. The term “Staff” includes all operational and classified employees and non-student hourly wage employees of William & Mary.

### **Article II. Purpose, Vision & Mission**

Purpose:

The Staff Assembly will serve as a forum to facilitate communication among Staff. The Staff Assembly will support a diverse, multi-campus university in accordance with College policy and the Statement of Rights and Responsibilities.

The Staff Assembly will function in an advisory capacity to the administration, promoting Staff interests in university governance by encouraging actions that address the current and future needs of the entire university community.

The Staff Assembly will promote honest and open communication between the administration and Staff and refer Staff concerns to the appropriate university officials.

The Staff Assembly will not serve as a substitute for the formal grievance procedures of the university.

The Staff Assembly will work with the administration, faculty, and students in all efforts to attain the goals of the university, while fostering a spirit of respect, dignity, unity and cooperation among the Staff. The Staff Assembly will recommend Staff representatives to university committees, as appropriate and permitted.

### **Article III. Authority**

This Constitution has been approved by the Board of Visitors of William & Mary on April 16, 2010. The Staff Assembly has only such authority as conveyed by this Constitution and permitted by the university administration and State law.

Existence of the Staff Assembly does not preclude the right of a Staff member to belong to any other organization.

The Executive Board of the Staff Assembly derives its authority from the Staff Assembly.

#### **Article IV. Membership**

- A. The Staff Assembly consists of 24 members elected by the Staff (an approximate ratio of one voting member per 50 members of the staff). All 24 Assembly members represent William & Mary as a whole; Members do not represent departments, units, or other staff constituencies. Elections will be conducted in accordance with the Bylaws and any procedures established by the Elections and Nominations Committee.
- B. Each Assembly member's General election term will begin May 1 and last for two years. Initially, twelve members will be elected at random as having a one-year (rather than two-year) term, such that terms will be staggered to permit election of approximately one-half of the Staff Assembly General election each year.
- C. The Executive Board by a majority vote may remove a member following three unexcused absences from regular Staff Assembly meetings during any consecutive twelve-month period.
- D. Members may be re-elected but may not serve more than two consecutive elected terms, which is defined as two successive two-year terms with no break in service. The duration from the end of a term through a mandatory special election will satisfy a break in service. An appointed term does not count as an elected term.
- E. In the event of mid-term vacancies, the Staff Assembly must hold elections when the number of participating members falls to 20; otherwise, vacancies will be filled during the normal General election period. Each Assembly member's special election term will begin November 1 and last for the duration of the vacated seat.

#### **Article V. Amendments**

The approval process for amendments to the Constitution is as follows:

- A. A proposal for an amendment must be submitted to the Constitution & Bylaws Committee Chair for review and clarification. The Constitution and Bylaws Committee Chair will submit the proposal to the Executive Board for consideration.
- B. A written notice that an amendment is proposed must be given by the Executive Board to all members of the Staff Assembly in such time that it may be included on the agenda for the meeting at which the amendment will be proposed and at least five days before said meeting. The notice shall contain the proposed amendment in context or general nature of the matter. The proposed amendment may be discussed at the regular meeting at which the amendment is proposed.
- C. Proposed amendments shall not be voted on until at least one regular meeting after the introduction.

- D. Amendments to the Constitution will be deemed approved by the Staff Assembly upon approval by a simple majority vote of the Staff Assembly members present.
- E. No amendment to Article II or III of the Constitution shall be effective unless approved by the Board of Visitors. All other amendments shall become effective upon Staff Assembly approval as provided under (D) above.

**Article VI. Dissolution of the Assembly**

The Staff Assembly may be dissolved by approval of two-thirds of Staff Assembly members casting or returning ballots, with at least forty percent of Staff voting.
