WILLIAM & MARY STAFF ASSEMBLY

quarterly newsletter

UPDATES FROM THE ASSEMBLY

STAFF ASSEMBLY EFFORTS HAVE RESULTED IN:

- A work order number to allow facility management staff to attend General Meetings.
- Campus-wide obituary notices for staff members.
- The addition of a third round of application review by the Development Support Funds Committee.
- Standardization of required salary letters across all units. Look for yours in July!
- The formation of a Tiger Team that would work to improve the negative impacts of classism at W&M. Based on our proposal, the Executive Leadership Team has created a Preliminary Working Group that will gather research to inform a Tiger Team.
