

Serve as a Senator on Staff Assembly

Staff Assembly is currently accepting nominations through March 29, 2024. If you are an Operational/Classified or Hourly Employee, please consider running for a position on your Staff Assembly.

We are all busier than we have ever been, but the Staff Assembly continues to be your voice with the administration and leadership on this campus and it is so important that your voice be heard. Staff Assembly was part of the conversation with campus leaders on the recent employee appreciation day bonuses and days off. We are also working closely with HR on some new policies. Being a senator can take as much or as little time as you wish, but your participation is critical. We meet monthly via Zoom (hopefully moving to hybrid) and, as a senator, you would join a committee. We need you, your insights, your time, and your talent.

Please give the utmost consideration to being a Staff Assembly senator and take a moment to throw your hat in the ring for this year's election by filling out the nomination form found here:

<https://go.wm.edu/t7fKdN>. You may also nominate someone who you think would be a good fit for the position.
